“ *To the family and friends of Marilyn, I was a childhood friend of Marilyn's, back in grade school and on through high school. I am so sorry to hear of her passing away. I lost contact with Marilyn over the years as lives somehow have a way of doing that. I know that she must have lived life to its fullest as I think that had to have been her way. I am sorry I can't be there for the funeral but I will be thinking of Marilyn's loved ones. Until we meet again, Marilyn! Mel*
