Mark was always a amazing friend to me. I knew him since we was teenagers and nomatter how long it had been since we seen each other that friendship always picked up where it left off everytime we seen each other. He was a very free spirit and anyone that had met him was sure not to ever forget him as he was very memorable & full of life.

Even after I left Huntington and moved away he always kept in touch. He will be missed by so many who's lives he touched.
