“ So sorry to hear of Maryann's passing. For the 15 years I worked at the Huntington Mall I seen her on a daily basis. She was a sweet and caring person. Loved her dogs,as I did. We always had tales to tell about our dogs. She will be missed. Rest in Peace Maryann.

“ Maryann,
You will always be the "heart and soul" behind the security team at the Huntington Mall. You're a touch act to follow. I will miss your wonderful, addictive laugh, your charisma, your charm, and most of all, your sarcasm. Heaven will be a better place with you in it, sure hope they follow the rules up there! I will miss you, but I know in my heart, we will meet again.
Love, Lisa

“ I am so sorry to read of the passing of MaryAnn, I had no idea she was ill, The last time I spoke with her, she was working security at the mall; MaryAnn and I go way back when she worked on the STOP Ambulance and I was a Dispatcher for the Sheriffs Dept. She ate many meals @ my parents house and my Mom & Dad really thought a lot of her; They too are in heaven now and I can only imagine their reunion in Heaven. The family is in my prayers during this difficult time. May God richly Bless You!!!

“ Mary Ann was my friend, even though I never met her in person. We shared many laughs and tears over the phone and through emails and I will miss that more than anyone will ever know! She was a great, compassionate, beautiful lady - I told her I saw her picture once and that I thought she was beautiful, and she said I was crazy. But she WAS beautiful, inside and out. She loved dogs (I love cats) and she would always send me ecards with animals on them, and stuff from the ASPCA and Humane Society, and pictures of animals doing cute things. I loved that and so did my children, whom I would forward them to. She had a sharp wit and marvelous sense of humor that I appreciated and will miss greatly. When I found out she was very ill and was headed for place in Heaven, I wanted to tell her goodbye. I waited too long to say that goodbye and to let my friend know much I cared about her, how much I looked forward to hearing from her, how much I appreciated her, how much I would miss her. I wanted to let her know all of those things, but I didn't. That will always be my biggest regret. I hope and pray she knows it now. I love you and I miss you my friend, Miss Mary Ann!
