“ *Mindy was such a sweet person. I'm blessed that our lives touched during my time working at Walmart. I will always remember the times we spent chatting at lunch or at the service desk and seeing her smile. Praying for all of you during this time. My heart is broken for you.*

“ *Mindy was such a good friend, we worked together, laughed and cried together. She loved her family and light up when her daughter, son-in-law, and grandbabies would come by while we were working. I will miss stopping by to see her precious smile. My thoughts and prayers will be with this precious family.*

“ *I'm so sorry this happened. Mindy was so sweet. She was so excited when she first got to see my daughter. She was comforting and so sad when I lost my son. She was the sweetest woman I'd ever met. I'm gonna miss her.*

“ *Mindy was one of the sweetest people i know. The kindest soul that ever walked through our doors....She would always get so excited when things good were happening for some one else.....She always told me how she appreciated me. I was one of the first people that was nice to her and talked to her when she started.....I always shared everything, good or bad, in my life with Mindy....We were a family.....Love you sweet lady, forever.*
