“ *Melissa was a great sales and marketing professional. I met her for the first time out in West Virginia where she showed me around and we had lunch at a place called Hillbilly Hotdogs in a converted school bus. I still smile about spending time with her there. May she rest in peace.*

“ I could never forget the first time I met Melissa. It was such a wonderful day we had. Melissa had scheduled an appointment and brought little Jamie and Greg(Daddy Greg) in for Jamie's first pictures. And watching Melissa with Jamie from that very first day we met, you could tell that he was her pride and joy. Wasn't long before Melissa was working with us at the studio. We had a blast when we were all working together. She has touched so many hearts with her friendship, love and kindness. Until we meet again one day my wonderful friend. ❤️ Love ya forever!
