“ *He was a wonderful man and a great friend. He will be missed! Our sympathy and prayers to his family during this difficult time.*

Cory & Heather Payne - December 01, 2010 at 04:04 PM

“ *Michael was one of those very special people that a nurse meets in Home Health & she is not able to forget. His smile, his welcoming attitude, & cooperation were above & beyond what we normally see. Please know that the gang @ CHH Home Health will have you in our prayers & that we are very sorry for your loss; because it IS a loss for any of us who had the pleasure of working with Michael. GOD BLESS YOU*

B J Childers - December 01, 2010 at 11:32 AM

“ *Mike was one of the most caring people you will meet. He went out of his way to please, no matter what. He will be missed. He knew the Lord and is resting peacefully with him now. I am so sorry for your loss.*

“ We were heart broken upon learning of the death of Mike. Some how it seems like we knew you all forever but i know it has been a short time. Still it feels like we have lost one of our own family. I always meant to come down and sit and talk with Mike but i was not sure he would want someone there as sick as he was. Please forgive me for that. Love in Christ, The Algeos

“ Dear Gina and Family,
I am so sorry about your Dad. Let me share that he was always there at dance for you when you were little and that is something I have rarely seen. I always admired him for the way he was involved with his girls.
You were so kind to me when Chris died and I will always remember how special you made me feel.
Love, Ms. Elizabeth

“ What can you say about a person thar was kind to everyone he met. My mother loved talking to Mike about her life, being from France and living through World War II. They would talk at bingo. Myself, Carol loved working with him at the club. We sure did work hard but we had fun knowing it was out of love and respect for our veterans. He will leave a place in my heart, that made me admire him. I truly am so sorry for your great loss of a wonderful man. He will never be replaced..
