“ *Marsha & Eric,*
We are deeply sorry for your loss. Keep hold of all your wonderful memories of Michael. I remember the boys getting off the bus and coming to my house, hungry for sure. Michael didn't want anything in particular... but Eric loved Chicken Noodle Soup and Kit Kat candy bars. To this day I remember Erkee (that is what Missy and Melanie called him)saying "more soup please." I also remember the boys constantly riding their bikes in the colony. Good memories for sure. Michael was so handsome. I know we haven't seen him or you all for years, but good memories have always been there and our time spent living at Williamsburg Colony. Remember you are not grieving alone. We are praying for you at this time. Sure wish we could be with you. We do send our heartfelt love and sympathy.

“ I remember Mike fondly. I have such happy memories of playing with him and Eric when they lived just a few houses down from me and then later in life when I crossed paths with him again. I enjoyed hearing his stories about the Navy. He always knew how to make someone laugh. My thoughts and prayers are with the family at this time.
