“ *Mike was such a special person. He played guitar so beautifully for my wedding, just as a favor for his friends. My husband Chad and I were also blessed to be able to minister alongside him in worship for a season. He was incredibly anointed for prophetic worship! When he would pick on that guitar, it would always make it so easy for others to enter into the presence of God and a powerful flow of the Holy Spirit.*

He was also a great mentor in personal ministry. His gifting, his compassion, and just his overall funny and witty personality will be greatly missed. Prayers for his beautiful wife and children.
