“ We have so many wonderful memories with you daddy. Our hearts hurt beyond belief to see you go although we know it won't be long before we are all together again. Thank you for not only being a light in my life from such an early age but being a light to all those around you. I will hold all of our memories so close to my heart until the day we meet again. I'm going to miss you so very much 💔😭 I love you daddy.

“ Families stray so far away from each other as years go by and I have lost so many that I had not seen for years. The last time I saw my first cousin, Mike, was when he was just a little boy. My heart goes out to the family that I have never met but still love so much. Rest in peace Mike and may God be with and give peace to the family that he had to leave behind for the time being. We will be together again in a beautiful place where we will never be apart again.
