“ I only recently heard of this. This really saddens me. My sincere condolences to his family. I am from B'ville, but a year older, so I didn't know Shannon until we were both on the plane to Lackland AFB in Sept '92. We ended up in flight 549 with the 322 BMTS. We were later stationed together for Tech School at Sheppard AFB. I can still remember his unique laugh/smile and his low key personality. He was a great Airman and just a great guy. Friendly to everyone. We lost touch after tech school, unfortunately. I'm glad he stayed in healthcare because he was such a genuinely nice, calm person. I'm sure he made his patients feel less scared.

“ Shannon too many memories to put on paper. You and my lil Ronnie Jr. were each others first, best friends. You two had you're own ball team beside my home, where you and he seemed so grown up and mature. How we loved you both. He would come home from playing with you, run through our hallway singing, " One Day at a Time.". I'm so happy you messaged me a few weeks ago to talk about you and Lil Ronnie. Our hearts were broken when he went to heaven with his Jesus. He was only y six. Now our hearts are broken again, because you have gone on to heaven. I know lil Ronnie ran to greet you, so excited telling you how he has missed you. But, down here, we miss you.

“ I'm deeply sadden by your passing. You were my coworker of 18 years, my friend and Bub. You were the first person to call me MiMi before I became a MiMi. Over the past few days I have been reading all the stories by all the people that you have touch their lives on your fb page. What great memories of you they are sharing. You were loved by many..I can hear you say, with your arms spread out, "What's not to love". Your love for God, Nic, Sydney and Paige is known by all. You leave behind a great Legacy my friend. Rest in the arms of our Lord and Savior until we meet again Bub!

“ So many memories of my friend that I just can't name one. What I  
can say about Shannon is this, he lived for God, his wife Nicole, his  
daughters Sydney and Paige, his family, the Dallas Cowboys and  
the Ohio State Buckeyes!!! He was an amazing husband and father  
and an even better friend! He loved to laugh, joke, coach softball,  
watch his daughter sing, quote 80's movies and dancing the  
"Carlton"!! To say I will miss my friend and coworker is an  
understatement! I send lots of love, thoughts and prayers to Nicole,  
the girls and his entire family ❤️🙏❤️

*My memories are too many to try to say. You were lil Ronnie's first best friend, as you know he is in heaven since he was six. I know he ran to greet you and tell you how he missed you, but we down here are sad, because we love you so much. I haven't slept since the day I found you were ill. I prayed all night and day, and was devastated the moment I heard you had passed. We all love you Shannon. We are so sorry and sad, Nicole and you're girls, Brandon and you're family. Carole and Jay ..all the rest of the family, we are praying and will never stop praying for all of you. We love you all. Sue and Ron Beasley. *I really never got to know Shannon (I wish I had from all the comments I have read about him). I worked with Nicole at MMBH. I did meet him a few times, at the softball field and at CHH when I would go there for lab work. He was such a nice and friendly guy. I am incredibly sad for Nicole, Sydney, Paige and the rest of Shannon's family. You all are in my thoughts and prayers. RIP Shannon!*
