“ Prayers to all the Kerley/Tilley clan from my family. Mildred and Jean, nearly all my life, were our local family. She was my boss when I was the "yard man" at my father's office. She loyally brought my father's lunch daily. She never forgot a patient or their name and always made them feel welcome. I have many good memories from the office days, golfing together, visiting Mama Della, many gatherings in her kitchen with some home cooked goodies to enjoy. For over 30 years any trip home had one requirement: a visit to see Curls and Jean, always in their family room with golf on the TV in the background and plenty of Werther's candy in a dish. She never forgot to send a card for a birthday or an anniversary. To all my father's patients, she ran the office with the same caring and attention in which he dealt with their illnesses/maladies. A special family to the Davids. Hugs to Jean, Rich, Heath, Brandon and Maybelle from us. May God Bless.

“ To the family please accept my deepest condolences. I had the privilege of knowing Ms Kerley as my mother was a life long patient of Dr David. At times when Dr David was not available it was "Kerley" as my mom referred to her that would make sure she was taking care of. Gene you and I worked together in the Service Dept at Owens Illinois back in the 70's. Please know the family is in my thoughts and prayers.

“ What wonderful memories I have from your family. Curls was the epitome of elegance, patience, selflessness and warmth ("honey"). My entire family has so very much appreciated, in many, many ways, you Kerleys. "Jeano" are a gem in your own right. A perfect pair.

“ Kerly. you were my best friend, my mom. After my mother passed away you gave me the honor of allowing me to be your daughter. How, I will miss our long talks, your advise and your desire that I be the best that I could possibly be. I know, you will continue to be with me until we meet again. You were God's special angel, always there to help all who needed help. I love you so much and will always keep your memory alive within me. Our last hours together are very precious to me and I will cherish hearing you say "I love you too sweetie"...

“ I was so sorry to hear that dear Millie had passed away. I had the privilege of having Millie and Jean for neighbors when I was growing up in West Virginia. I have fond memories of staying over night with Millie when Jean was out of town. Millie was truly devoted to her family. She was a genuine friend to my sister, Terri for many decades. I will remember her as a classy, fun and loving person. I send my sincere condolences to all of her family and friends. My thoughts and prayers are with all of you.

“ John and I send our heartfelt condolences to Jean, Rich, Heath, Brandon, Maybelle and their families. Curls was a steady and elegant presence in my life from the time I was about six. In addition to providing expert management for Dad's office, she served as an unofficial aunt to the David children as we had no extended family in town. She and Jean have been the dearest lifelong friends anyone could ask for. May she rest in peace.

“ Kent and I were so sorry to learn of Curls' death yesterday! I met Curls at my wedding reception 32 years ago and loved her from the first minute we said hello. She and Jean have been wonderful friends to us and Jack and Betty Lou Morrill for years as were they friends to my Daddy, Bill Breece . I know the angels are reserving a special pair of wings for her because she was so wonderful, patient and kind to all who were under the care of Dr. Kirk J. David! No husband could have ever been more loving and caring than Jean Kerley! Jean, your wings will say, "Job well done, faithful husband"!!!! Much love, Mimi
