“ *My Mother, the late, Adeline Hensley, introduced me to Murilla in the late 1970's. Sometimes, on Friday evening's we would meet Murilla for dinner at the 64 Diner or Wiggins Drive-In. Murilla taught me how to make hook rugs. She took the time to build memories and make a lasting impression on me. She made me feel like I mattered to her. I haven't seen Murilla since the late 1980's. She was a good friend to me and my Mother. My condolences to her family and friends.*

“ As a child, my Mother, the late Adeline Hensley, introduced me to Murilla. Sometimes on Friday nights, we would meet Murilla for dinner at the 64 Diner and Wiggins Drive-In. Murilla taught me how to make hook rugs. She was a great friend to my Mother. She left a lasting impression on me, and made me feel like I really mattered to her. I hadn't seen Murilla since the late 1980's, but she built memories for a lifetime. My condolences to Murilla's family and friends. She was definitely a 'one-of-a-kind'.

“ My thoughts and prayers are with you, Shirley and Herb and family. Your mother and my mother were close for so many years! I could do nothing on Friday night that Mom didn't know about from the Beauty Shop on Saturday. Those two had some good beach trips together also.
She sat with Dad and I the Sunday morning that Mom passed at St. Mary's. She was a good fun person and I'm so glad you were part of our lives. She will be missed but always remembered!!

“ Shirley and Herb, please accept my condolences in the passing of your dear mother. Murilla and I worked the elections together for many years and she was always so delightful to work with. She helped to make those long hours at the polls a little less stressful. I pray that God will keep you and your families wrapped securely in His loving arms during this difficult time in your lives.

Judy Abbess, your mom's Norwood Road neighbor and friend.
