“ *I have many memories of Aunt Myla but I think the funniest is when we visited Burnt House one time long ago. She was baking squirrel and told Bernie it was chicken - he had no idea!! She pulled one over on that city boy!*
I hold you all in my heart and prayers at this time, so sorry I will be unable to attend either service. We are all spread all over the country, I hope we all get to visit together sometime in the near future.
With love,
