“ *The day I was asked if I would feel blessed to accept responsibility of a lifetime request. My heart was overwhelmed with a loving sensation, and I accepted this query without hesitation. Of loving you unconditionally and helping guide you through life, to show you the direction of spiritual light. To be your strength in hard times and stand proud when you subdue the obstacles that life decides to throw you. And to you, my angel, I promise this. Because without you, as your godmother, I couldn't exist. I never thought you would go before me but God had bigger plans. Please be by the front gates awaiting my arrival when God calls me home. I can't wait to hug you again ? I Love you my Angel, MiMi xoxo*
