Thank you so very much. It's been many years but I sure remember you, too. I always called you Wade. It brought a smile to my face when I thought of the question I would ask you, "Are you still flossing?" Again, thanks for remembering us and I pray that all is well with you.

“ I'M so sorry to hear of Nazim's passing. While I worked at the DMV we had many conversations about the relationship you all had with my parents, Lois & Glenn. He always spoke of the good times., and sometimes he would even come and visit and talk about the old times in Williamson. From the conversations it easy to see he had a full life. Again, I am so sorry for you and your family loss. Glenn Oscar Pauley

Glenn Pauley - February 13, 2017 at 02:11 PM

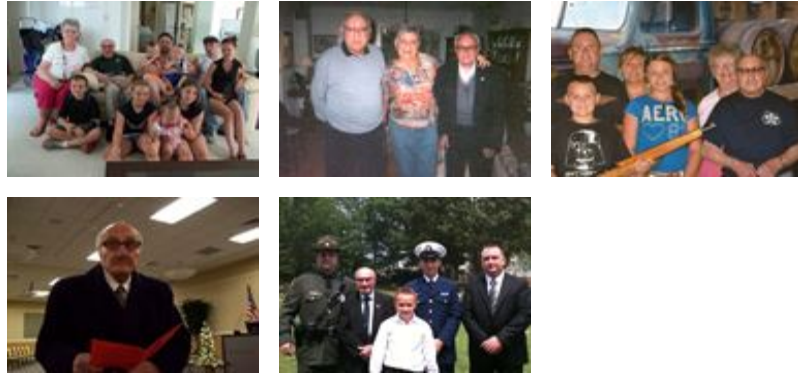

Glenn, thank you so much for the kind memories you shared about Nazim. He loved to talk about Matewan and Williamson. Nazim truly had a full life. As you saw in the obituary, we have 2 sons, 5 grandchildren, and 3 great grandchildren, who we absolutely adore. Nazim was tough til the end. The Hospice nurses were amazed at how he held on. I was very blessed to be able to call him my husband and our boys were very blessed for him to be their dad!!! Needless to say the grandchildren and great grandchildren were equally as blessed. Again, thank you so much.
