“ *Tim, Rick, Kevin, & Eric,*
Our thoughts and prayers are with you. I remember hearing Jr come out in the early morning hours and start up that Jefferds truck, and sometimes he would not return until after dark many times. He was a good worker, and even a better neighbor. I know that mom and granny thought the world of him and Loraine. I am sure that he is happy to be reunited with her. God bless you and your families during this time.

“ *Oscar was truly one of a kind! We made a demo once at Armco Steel-many moons ago. Oscar got the forklift off his truck and proceeded to take over the demonstration! I have a Sales meeting on Tuesday as well as a CAMC Housing Corporation meeting that only meets once a year so I cannot not attend the service and I regret that I will miss hearing what I expect will be a great collection of stories about a great guy! I am sending warm wishes to all the family.*
