“ So saddened to hear of the passing of a beautiful mother, and staple in our community. I know that we may not see her again here on this earth..... But the fruit she bared on earth as it pertained to her children, family and friendsI'm without a doubt that she now rest peacefully with our father in heaven. Love transcends death and the love she left to and through her children will always remain. I pray for healing, peace , comfort and blessings during this difficult time.

Deepest regards,
