“ Bj and family, I'm so sorry for your loss. Pj was one of my very best friends and will truly be missed. We had some of the best times together. Anytime I was feeling down he knew just what to say to make me happy. His smile was contagious and would light up the room. He was such a joy to everyone that met him, he never met a stranger and would given the shirt off his back to anyone in need. He's in a better place with his dad looking over us all. He may be gone but will never be forgotten .
