“ I am saddened to learn of Paul's passing. I worked for Paul at Columbia Gas for almost 15 years and had the utmost respect for him and I suspect the rest of the team that worked under him did as well. Paul's wisdom, skill, integrity and honesty coupled with a sense of fairness and compassion made him someone you wanted to work for; he was more than willing to stand up for his team. I have not talked to Paul for quite a while but am happy to read that he got involved in a church to the extent that he became a leader of a group there; but that is not really a surprise, Paul had an innate ability to lead. I am glad to have known Paul and will keep his family in my prayers. Herman Yeager

“ Paul and I were in the US Army Reserves together, and we went to active duty basic training together at Ft. Bragg in 1968. As everyone who ever knew him could attest, he was one of the nicest people I have ever known. Prayers for the family as remember and celebrate his life of service and faith.
