“ *Hi Nancy A big shock when I heard about Paul's passing. Man, I'm gonna miss that guy. He would come over and we would talk for hours . He loved His little 🐕 Lucy. And he loved you too, Nancy, he would talk about nancy doing this and nancy doing that and going camping. You were always In his conversation whenever he would come over. I know the hurt that you feel now in your heart. and it will take a long time to feel better. It will never leave, but it will become Easier As time goes by.*

He was one of my best friends.
