“ My best friend and brother since 4th grade at Martha elementary, he had just moved to my neighborhood, as soon as I met him, we hit it off, and was best buds ever since. In the last several years we didn't hang out a lot, but when we did it was just like we never missed a beat... I just wanted you to know I love ya and we will take back up passing baseball up and down Martha road again real soon!.....
