This is a wonderful video. It is the true essence of the man that he was. He loved his family with everything in him.

Such a great video. I will surely miss him. My bother-in-law was always thoughtful of me making sure distance didn't separate us from family news. I was so grateful for that. He loved his family so much and would do anything for them. He was a man of strength, honor and faith. Our family in heaven has gained another member. One day we'll all be together again. My love always

“ While being stationed in San Diego, North Island Naval Station, Randy accompanied us to Ski Beach where we were boating and Water Skiing, and after a "couple of beers" Randy got very sunburned. So sunburned in fact that he was lobster red !, and couple of of his boat mates came and returned him to the ship.

He was afraid he was going to get court martialed !
