“ Ray and I met in 1949 at Huntington East High School. Although we were not close friends we were good friends. His gentleness in those days continued through out his life. In the trade school printing class he and I shared many responsibilities. In my many activities with the City of Huntington, Ray saw to it I had amplt copies of any story written about that a activity. For that I am grateful. Joyce and Ray, in my view, were an ideal couple. Thank you for allowing me to be a small part of you lives. Ray Browning. HEHS 1952
