“ *Becky, you were such a great friend back in high school. We continued to occasionally speak through facebook, but we were both caught up in our every day lives. I have a lot of memories of you and others we went to school with. You were such a great mother and I loved looking at your pictures of your family and to see how much in love you were with your fiance', Matthew. I'm so sorry you were taken so young in life, but you will forever be in our hearts and memories!!! May you Rest in Heaven beautiful!!!!!! You'll be missed!!!!!!*
