Thank you for making this beautiful video of the life of Repls! It touched my heart to see his life with his fantastic family. He was very blessed to have such a rich life, although too short! I remember him as a gentle, caring and genuine person in high school. I was good friends with his sister Amy. My sympathy and best wishes to his entire family. I know you know you were blessed to have him in your lives. With love, Liz Creighton Bumpus
