

## Rhonda Marcetta Hutchinson

July 20, 1956 - October 12, 2024

Rhonda Marcetta Tomblin Hutchinson

On October 12, 2024, following a long illness, Rhonda Marcetta Tomblin Hutchinson entered the gates of Heaven singing “Victory is mine, victory today is mine!”

Although our hearts are heavy, we know she is celebrating with her father and mother, Arnold and Rena Tomblin, and other family and friends who have gone before her.

Rhonda leaves behind the love of her life, her husband of 46 years, George “Marty” Hutchinson and her sister Debra Huffman, Debra’s husband Phillip, and their children Ryan and Cody. Rhonda also leaves behind those who brought her the greatest joy in her life, her children, grandchildren and great grandchildren.

It is believed that God’s purpose for motherhood is to draw people deeper into His love and story. Rhonda practiced this belief and lived the words of Joshua 24:15 which reads “...as for me and my house, we will serve the Lord.” As a result, her children, grandchildren and great grandchildren were given a foundation on which they have established their own relationships with God. Rhonda and Marty’s family include their son Marty, his wife Jennifer, their children Cayla, Becah and Isaiah; Son, Tim, and his children Preston, Connor

and Brooke Mazzeo and her husband Nick, and their children Ava and Nicholas; Son, Eric, his wife Beth, and their children, Emily, Benjamin. Sarah and Ella; Son, Matthew, his wife Tiffany, and their children, Harper, Sawyer and Asher.

Rhonda began her early journey on July 20, 1956. Her life was spent here in the tri-state area, graduating from South Point High School in 1974. She supported her community by being a ferocious fan of Marshall's Thundering Herd and fiercely supporting various political campaigns. Rhonda previously worked as a community service agent for The Putnam Agency, and also as a mail carrier for the USPS. Matthew 7:12 says "So, in everything, do to others what you would have them do to you".

Rhonda demonstrated this in her job at St. Mary's Medical Center, serving as a patient service representative, especially in the Intensive Care waiting area. Rhonda made an impact on thousands of people during the most stressful and darkest times of their lives, so much so, that she was named the St. Mary's Medical Center Employee of the Year in 2017.

Rhonda loved big and out loud. She was a person who couldn't do enough for you. She was active in her church, supporting and lifting others up when they needed it. Nothing asked of her was too much. This was because above all things, Rhonda loved God and sought to be an earthly manifestation of Him. Matthew 5:16 says "Let your light shine before men, that they may see your good works and glorify your Father which is in Heaven." This was our Rhonda. We love her and will miss her terribly.

“ Rhonda had a beautiful Loving spirit, More so than anyone I know. She was such a wonderful example of Christianity and I am privileged and honor to have known her and her family. When I was A teenager we lived Along the river In South Point Not far from her family. Her mother did Clothing alterations for my mother, And then later we came to know them better at the Jefferson Ave., Church of God. I have a special-needs sister, Dottie Price, That Rhonda and Debbie always loved on. Her reward will be so great because of how she loved! We will cherish and honor her memory. I pray that God be with the family during this difficult time. Deb McClure.

“ I will always remember Rhonda as one of the most beautiful women of God that I met when I started attending Jefferson Avenue Church of God, many years ago.

She had such a beautiful voice and you could see God radiate through her. It was an honor and a joy to hear and see her worship our Lord.

Her kindness and never ending smile will never be forgotten.

Prayers are being lifted for her family and friends as they navigate this great loss.

“ I remember when Matt and Tiffany were dating, we ask Matt to bring his mom Rhonda down to stay the weekend with us so that we could get to know each other better I had put her in Tiffany’s room and put the windows up so that she could hear the creek flowing outside she said that she had never slept better and she had loved the creek sound we had a wonderful weekend. See we live up a hollow and we have four mountains that we live between we would set on the porch in the morning on the swing and enjoyed having a cup of coffee and Paul and I fix a huge breakfast and after that Matt took her for ride on the four wheeler. We all had so much fun it was a wonderful weekend! Love you Rhonda we will miss you❤️

“ Rhonda was truly a woman after God's own heart ❤️🌹 .

I remember how kind she was to me when I first joined the choir at Jefferson Avenue Church of God. Her beautiful smile was contagious and her majestic voice always blessed me so and changed the atmosphere whenever she sang in the church service. Her comforting hand, holding and petting yours, with genuine love and concern for your needs will remain in my memories forever. Praying comfort, peace, and love for all the family ☐💞💜 now and in the month to come.

What a sweet and gracious lady of God. Rhonda is my dear dear cousin. She is so special to me. When my son was in the Charleston hospital she came to sit with me several times. She was such a giving and loving person this world has ever known. Marty and family just know you all are in our thoughts and prayers. I know this is hard but we know where she is and there's no more suffering or pain. She's earned her rewards in Heaven. I know she will be greeted by Jesus and her mom dad and all the other family that has gone on before her. Just rest in peace my sweet Rhonda you really deserve your heavenly home. Love you always and will never forget that sweet smile. Love you Marty. Let us know if there's anything we can do to help you or your family. Love Millie, Kellis, Emma and family's ❤️🙏❤️❤️
