“ *I did not know Richard had passed! It makes me so sad in ways I can't express! Richard was my step father from the age of 7 till I was 21 and he and my mom divorced. I just want to say Thank you to him because he raised me and I am so grateful to him. About 5 yrs after he and my mom divorced situations kept us from keeping in better touch! But just to say, I was so pleased to have had him in my life and for him to show me and teach me so many things. I have had the privilege to go to Hinton to fish, canoe and whitewater raft and meet some wonderful people! I just hate it took so long for me to find out of his passing due to my mom passed last year while dealing with dementia...Richard, Thank you for being in my life!!!

“ *I just heard about Mr. Sydnor. I am from Huntington, but moved to Columbus years ago. I moved back for a few months when my Aunt passed and moved downtown, where I met Mr. Sydnor. He was a wonderful person to chat with, sometimes we had coffee together at the cafe across from his office, or I would meet him for a drink at St. Mark's when he closed his office for the day. He gave me the confidence to go back to school and I have him to thank for encouraging me to receive my paralegal degree. He was a great mentor and friend, I will miss him. I am so sorry for his family's loss.*
