“ Unworthy constituent, recipient of his aid and help time after time. Loyal Democrat even though it is currently unpopular in WV. I will cherish his memory and courage. There will never be another like Senator Byrd. May God give him the rest he deserves and accept him once again into His bosom. Senator Byrd preached in our church when I was just a boy. -John Mark Miller

“ To a wonderful man like no other. My deepest sympathy to Your Family. When I heard the news of your passing, I was waiting inside a new building in Huntington with my Daughter; This building is named after Senator Byrds wife, Erma. I am certain the two of them are together now in Heaven. Love and Prayers, Cathy
