“ I just read about Blair's passing online. We had just become friends on Facebook recently after many years of not seeing one another. We grew up playing sports and going to school together and we had a lot of great times together over the years. I am thinking of you all and remembering all the good times we shared growing up in Barboursville. Our thoughts are with the entire family at this time. Godspeed to Blair. With Love, Chris Carter and family.
