“ *Dear Pug,*

I am so sorry to hear of Bobby's passing. I know you miss him dearly. I remember when you all first moved to the neighborhood on Division Road. Oh, those were happy times. God bless you and Paige and the rest of the family during this time. May He grant you peace and comfort in the days to come.

“ *Enjoyed getting ready for many CMHS Show Choir events with Bob! He was always cheerful and loved doing things to help his daughter and her friends. What a great dad he was! It was a privilege to work with him on school events. Sandy Sargent*

“ *Pug, I am so sorry that I am unable to be there for you. I know that Bobby was your world as you have said many times and we know that. We know that Bobby is now free of pain and he is in a better place and he and Bob are probably working on a project together, probably adjusting St Peters gate or something like that. Bobby loved his Mom as you loved him and he would not want you to suffer as he did. Be blessed for the 55 years that he was with you and you will always have the wonderful memories of those wonderful years. We love you. Clint*

My cousin Bobby and I enjoyed our childhood days growing up in WV. We loved our family gatherings and treasured our times together. He stayed strong throughout his years of battling diabetes and was a very devoted and loving father to Paige. His Mother, my dear Aunt Pug, was there for her son always and never wanted to leave his side. May Bobby rest in peace. Love and prayers are with you Aunt Pug, Lisa and Paige. Charlotte
