“ *I worked at INCO with Bob, a lifetime ago. When he and Mike Brumfield went to Palmer, they tried to get me to go with them. Well, I didn't and they both became doctors. Silly me. I thought a lot of Bob and enjoyed working with him. I know you will all miss him very much.*

“ To Robert, our cousin and the beloved elder in our family, you have always been the inspirational link for all of us with the four sons – Beale, Doyle, Robert and Dale – who were born to Rev. Robert J. and Fannie Martin Yoak. Throughout your life you kept that flame alive and now you have passed it on to us. Your unquenchable spirit and joy lives on in all of us.

To Leora, your devoted and caring wife of so many years, and to Janet and Rodney we send our love and warm embrace.

David and I join with you and the extended Yoak family and friends in commemorating and celebrating this very special life of one so dear to us all.
