“ Please accept my deepest and sincerest sympathy during this most tragic time in your life. I met Robin when I became employed by Healthsouth and always enjoyed talking to her. I also enjoyed it when Robert would come in with her. May you be comforted by the loving grace of God, especially during the difficult days ahead.

“ Robin will always be considered one of my very best friends. We met at work and quickly she became the right side of my brain. What a wonderful nurse! She was a great asset in my life and all who she came in contact with. Robin, I love you and will miss you terribly. Rest in peace my friend.
