“ *Today I helped a friend clear out his storage and found these old pictures. They're not pictures of his family and he doesn't know who these people are. He told me to throw them away but I couldn't. So in a million to one chance I'm posting these pictures in hopes that maybe just maybe someone might know this family. The sailors name is Rodger Clark he was orgianlly from West Virginia but lived here in Miami as an adult. Anyway, I probably have a better chance of winning the lotto than finding realtives of Rodger Clark but sometimes miracles happen around Christmas time. So please share these pictures they're family memories and I would like to return them to their rightful owners. Thanks..*
