“ As a VA Nurse for 25 years, Roger always held the status of my favorite patients ever. One of a kind and was always a hoot. He was one of my patient's for quite a while when I was a new nurse. He helped me so much and stuck up for me when other patient's weren't so nice. We became lifelong friends and I was always thrilled to run into him here and there throughout the years. Interestingly I was scrolling through pictures yesterday and ran across a picture of Roger and thought I wonder how he's doing? Then I just now read this. My heart sank 100ft. :(He was a sweetheart and he will be greatly missed. This little message falls so short of expressing how much he always meant to me. So sorry to his surviving family for your loss. Sharing the picture I ran across yesterday at one of the Veterans day events at the Rec Hall. RIP Roger. Until we meet again. ❤️
