“ Ron has taught me a few things over the years, but one thing stands out the most. We were in the kitchen preparing some food, and I was trying to open a head of iceberg lettuce. He said, "What are you doing to that lettuce?" He then laughed and took the lettuce and said "this is how you open a head of lettuce!" I never pick up a head of lettuce without always remembering our conversation. I haven't butchered another head of lettuce since that day!!!! Lol 😊

“ *From the time he was born he was my baby  
Mon had layed him on the couch to go into the other room  
When she came back in he was moved to the chair  
Ask how he got there  
I said I will show you  
Scooped him up in my arms ( I'm only 2 1/2 years old )  
Carrying him back where she put him  
(Mom) holding her breath  
But i didn't drop him  
I Loved you then  
I Love you now  
Rest now my baby brother*
