“ *Precious Aunt Rosella, Our hearts are full of sorrow at the emptiness and pain your passing leaves behind. The 85 years you were on earth you loved, touched and blessed so many. If you could have been here 85 more it still would not have been enough for us. You taught us so much over the years and right down to your final moments your were still teaching by example. At the same time that we are mourning, we are rejoicing. You are no longer in pain: you have received the ultimate healing. You no longer are grieving for loved ones. You are with our Lord and Saviour, our God, whom you devoted your life to here on earth. You are reunited with every family member and friend who went before you. What a joyous celebration we can picture. Aunt Rosella, enjoy your eternal rewards and know that our family is united and praying for one another. We love you and we will see you later.*

“ *Our hearts were saddened at the passing of our dear precious aunt Rosella. Although our spirit was rejoicing at the "graduation" of Rosella being in an extremely glorious place of peace, joy, health, and yes, even the reunion that is now taking place in Heaven with our loved ones that have passed on. We will miss her but at the same time be at peace that she is having the time of her life.*
