“ *I have too many memories to share , I treasure each moment I spent with him. Sometimes we got in trouble but most of them were moments I and my family will cherish forever. Mom, my heart hurts beyond words, the tears flow just like before. Russ was another amazing man, that I'm so thankful for, and a loss that just heaps on the pain of losing A loved one. He was a huge part in my life, he made sure mom was part of her granddaughters life. Russ was such an integral part of my life that , just like my dads loss, I will feel every day. Russ gave my mom a whole new world and I will be grateful until I meet him again. Mom , our love will never be able to fill the loss but our love will always continue. As I would always tell mom in closing We love you mom, tell Russ we love him and it was meant.*
