“ *Ruth was an amazing women and absolutely the sweetest lady I ever met. My daughter and I had just seen her last Wednesday at barboursville park going fishing. She truly loved to be out and going fishing, she will truly be missed.*

“ *Delaware Ohio is a small town. When we were kids it was even smaller. I use to run in and out of the Riders home like so many of us kids did. Velma was alway feeding you. Best beans and corn bread you could ask for. Ruth Ann picked up her moms talents. A couple years ago I was at the campgrounds with Dee and RuthAnn we were all together. Having a great time loving all over this puppy she had. The next morning Ruth cooked breakfast, and by that I mean every food you have ever eaten for a breakfast in your life. Grits, eggs, bacon, sausages, French toast, biscuits and gravy, fried potatoes, coffee, toast, orange juice etc... you get the picture. OMG was all of it great tasting. We had to go get neighbors to eat all the food she cooked. Of course everyone that stopped had to eat. You could feel the love she was giving you as she piled your plate. She always loved everyone it showed through her actions as well as that wonderful smile she always gave you. She will always be with us all, if your missing her, just go cook breakfast! All my love*
