“ *Sally was our neighbor on Camp St. She always seemed to be happy and joyful. I went to school with her niece Sandy who I would go and see if I was in town and she was in to visit her Aunt Sally. My brothers and sister grew up with her children. My condolences to all her family during this sad time. God Bless!*

“ Sally is my mother-in-law. She lived in our home for nearly five years with me and my wife Pam. We will greatly miss her! We have many great memories with her that we will hold dear. Hats off to my special wife Pam for the care she provided to her Mommy. I would also like to thank all of my sons for their help with Sally. It wasn't always easy but it was a priveledge having her with us. A special thanks to Henson Mortuary for their care and professionalism. We would also like to thank Dr. Dawn Mc Farland and her nursing staff for taking such good care of Sally and her needs. They were all truly amazing. Our sincerest sympathy to all of the friends and family that loved Sally and are hurting right now with us. A special thank you to reverends John and David Fairburn and their wives for coming to the house and praying with us for Sally this year.

“ Sally's Heart of Gold Stopped Beating. If anyone in the family needed something, they always called on Sally for help; she never turned them down. I am Sally's niece and although she was only 6 years older than me, she was like my second mother. I truly cherish the times we had down thru the years. God answered her prayers and took her home and with her one and only true love Jim, they will Reign on High until we are united again, and we shall be thru our Faith in our Lord Jesus Christ.

“ We have known the family for many years. Sally was a sweet person and would always find a minute to stop and chat. My husband Eddie worked with Jim at the city. The whole family was a warm and friendly family. My thoughts are with the children. God has gained another Angel.

“ My daughter, Emily, has been dating Sally's grandson, Nicholas, for over a year now...I had the pleasure of meeting Ms. Sally while they were visiting the beach on vacation this summer. She was a very special lady and I appreciated how much she adored my daughter. What a loss to their family, but their loss is heaven's gain!!! My deepest sympathies to the family...my thoughts are with you Pam, and your whole family! We love you Nick!!!
