“ *I love you Aunt Lynn and will miss you more and more every day. It still has not hit me that you are gone and I am not sure that it truly ever will. I keep hearing your voice and your raspy laugh that I loved so much. Hopefully I can take my kiddos on the Cass railroad like you and I planned to do. I will be at your services in spirit and I hope you greet me when my time comes. Love you and our family so so much. Buh- bye.*
