“ *I'm so sorry and want to offer my condolences to the family. I was privileged to meet Sheila in March of this year, and visit with her several times. Sheila was a very intelligent person and a joy to be around. She had so many memorable stories to talk about. She will be greatly missed by all those she came in contact with. She's just resting for a little while until that great homecoming. Take comfort in all the good memories you all shared with her. Many blessings upon you and your family and may you find comfort in this trying time. Prayers, Patti Napier*

PS

“ Gary, I am so very sorry for your loss. I am so glad I got to spend some time talking with Sheila at our class reunion in October. She told me about the grandchildren and she glowed. We all were so happy you made it possible for her to attend. She was always a very special lady.

“ I'm so sorry to learn of Sheila's passing! She was always so outgoing and sweet. We never had any classes together, we became friends thru another classmate, Loretta McKnight. I did see her from time to time when shopping Macys children's department. She would assist me buying outfits for our granddaughter! Prayers for Gary and the entire family, cherish the memories you have!❤️☐
