“ Steve was always kind and helpful. I too, have wonderful memories of square dancing in the Ashton garage. Artie would call and Lola would help us learn new dances. Steve was fun. smart and well liked by his classmates.

“ Steve and I went to Monte Vista schools together, we were in Boy Scouts and shared a lot of memories. Bar none, Steve was the smartest kid in school, top of our class all the way to graduation. And, too, he was ornery, but never mean.

The best memories I have are of square dancing. Artie and Lola shared their love of square dancing with a large group of Steve's classmates. They even took us to LaVeta to dance. What fun !! Thank you, Lola !!!
