“ Steve was my brother and I'm upset to hear he's passed. After mom passed we didn't talk and I'm sorry about that. I loved when he came to visit to visit mom cause we went to flea markets here. I knew he was having health issues but he always seemed to handle them. But I guess this issue was too big for him to handle. I know he's not in anymore pain and is up there talking to mom about the politics and stuff like they did for hours. I hope his children was with him when he passed. I love you bro and am sorry for not staying in touch after mom passed but I'm still grieving the loss of her. But I did want everyone who reads this to know Steve had other family that wasn't listed in obituary. Me Tammy Winston the oldest sister, Michael cooper who lives in Florida and Candy Finley who lives here in Virginia with me. We might have all fought and not talked a lot but we all loved Steve. Rest in peace Bro ❤️❤️🙏
