“ *I was unaware that Taryn had passed away until recently. I first met Taryn at the Fairland High School Marching Band. She was a sweet girl, and I truly regret that I never had the chance to say goodbye. At the time of her death I was away at school, and word never reached me.*

“ I only had the opportunity to meet Miss Taryn a couple of times, but even with my short interactions with her I could tell that she was truly a special person. Her beautiful smile and positive attitude were enough to put those around her in a good mood. She will never be forgotten.

“ *Taryn, I never met you although I know one day we will meet. I knew your mommy, your Aunt Angie and your grandma Wilma. All three of these women that have been with you all of your life are so special to me. They influenced the way I grew up and who I wanted to be. Your grandma, she was my girl scout leader. I was in the girl scouts with your mommy and your Aunt Angie. I learned about Jesus from them, not just by words but by looking at them and seeing Jesus; by their love for the Lord. I know without ever meeting you that you had that same special quality. There is a song about when I look at you I see Jesus, I see that in your pictures. May the Lord be with your family as they grieve. I will see you in heaven until then rest in peace sweet child.*

“ Taryn was such a wonderful, beautiful woman of God and an inspiration to everyone around her. I loved seeing her smiling face in the church bookstore, and she always made a point to speak to me. “ In loving memory of Taryn Amos My dear cousin.
Just about everyone that knew her referred to her as A Beautiful Soul. She was truly Amazing. She made so many wonderful accomplishments in her short life and brought so much happiness and joy to so many life's. She will never be forgotten and she will always have a special place in our h...earts. Her life, joyful spirit , loving and kind heart are just some things that made her such a wonderful and amazing girl and role model. She was a believer and lover of GOD. She loved life, family and friends. She was one great girl and if I am any bit lucky I will be half the person she was and our Grandmother Kathleen Thompson. Now you are with her and "I can only imagine" how happy she is to finally have you back in her presence. We will see you all soon! Love you and wished I could have been closer to you. I know that you would have changed my life and brought my eyes to see so much more light. But I will think of you always and thoughts of you will help me become a better and better person every day of my life. ?
