“ I am heartbroken over the passing of our dear friend Ted. I am so glad that in September he saw me on my porch & stopped by for a visit. We laughed & talked about a lot of fun memories that he & my husband PJ had enjoyed. He told me that his daughter had put a chair in the garage so he could sit there & enjoy some outside time. He loved getting apples in the fall & he promised to bring me some! I would have never imagined that would be the last time I would see him but I'm so glad we had that moment to visit. Prayers for his family & the Henson & Kitchen staff as they once again care for one of their own. 🙏

“ So sorry for you loss. Mr.Poe was my favorite neighbor. He was so kind. Always willing to lend advice or tool, or to just have a nice conversation with. I'm going to miss his waves from his porch when I would get home from work. Prayers for comfort and peace.

“ We loved Ted. I always called him preacher because people always thought he was his brother and would say "nice service preacher" and he would always share that smile with me as I usually played the organ for the service. Praying for family...love you all!!

“ I knew Ted and Dianne from church and enjoyed their friendship starting in the early 70’s. Ted was a greeter at church and always made people feel welcome. Marilyn has been a close friend through the years and I visited Mike in NC a few times. It’s been a blessing to know this sweet family. Nancy Gagnon
