“ *This is my beautiful mommy, the best mom anyone could ask for. If she was close you you, she loved you. She loved her big family to the depths of her soul and nothing made her happier then to be with them, and we all loved her completely. I was truly blessed to have her as my mommy and I will never be the same without her. She was the glue to our family, our matriarch. She never turned her back on any of us when we done wrong. I'm not sure how life can go on without her. She is our Angel now. Fly high Mommy and I will see you again one day. Love forever and always, Vicki (your little Ms. Piggy)* 💔😭🌹
