“ Andy, Marianne and Families,

So sorry to hear this. Always wondered about your family. Such great neighbors and friends. Andy, will always remember our long walks to school. Remember one day you were sick and I had to walk it by myself. Marianne, you were younger but such a pretty girl. I think of all of you at times. Your mom and dad were special people. Always loved listening to them talk. Hugs❤️

“ *The hardest part of living is knowing that there will come a time when those we love will no longer be there. As we grow older our lives grow richer, but with that also richness comes sorrow due to losing those that came before us to show us the way. Goodbye Uncle Tom, your family will miss you always.*

“ Dear Dr. Linz and Family,
My thoughts and prayers are with you and your family. Although I never had the pleasure of meeting your father, I think I have an idea of how wonderful of a man he must have been to raise such a loving and compassionate daughter. May peace be with your family.
