“ I am so saddened by the loss of my good friend and tennis "boyfriend". He was so kind and caring, although stubborn at times which made him who he was and able to do anything. All of his tennis partners feel we were immeasurably blessed to have him as a friend. Everytime we play and someone hits an untouchable topspin lob, Tom's signature shot and despised by anyone unless you were on his side of the net, we will know Tom is still on the court with us. All who knew him will be lifted up by remembering his smile and kindnesses. Good by my friend and Heaven's tennis just got better. Linda Holmes

“ I did not get the chance to meet Mr. Linkous in person but had the pleasure of speaking with him a few times on the phone at CHH. He was always so kind and helpful, plus I remember him having a great sense of humor, which I so liked. Wishing the family God's Peace.

Tom was always there for me to help me solve any payroll distribution problem and problems with hours Etc. He will be missed. He was a great asset to me in the daily operation of the OR Sterile Department at Cabell Huntington Hospital. My deepest condolences to his family. As I have gone around the hospital to chat about Tom I have been met with smiles and tears as our Cabell family begins to work through the news of his passing. He touched every person he met with a smile and he always had a word of encouragement for me. It was my great honor to see him and pray with him often during his stay and to witness his courage.
