“ *There will never be another Trudy in this world. She is the type of friend that no matter how long it's been since you have seen her, it feels like yesterday and you could talk and talk and take up where you left off. She was truly the best and a hard worker and loved by so many. I just can't wrap my mind around this. Prayers for comfort for all the family. I could always count on several laughs when we were together. You are sadly missed. Love from Z.*
