“ *We would like to express our deepest sympathy for your loss. The loss of someone close is difficult to bear. God promises a time when death will be no more and this is found at Revelation 21:4 which reads: And he will wipe out every tear from their eyes, and death will be no more, neither will mourning, nor outcry, nor pain be anymore. The former things have passed away. I hope this brings you some comfort.*

“ *I was very much saddened to learn of Trudy's passing. My deepest sympathies to Trudy's family. I will always remember all the good times we had together on our DWC trips. Trudy was kind and never had an unkind word to say about anyone. She was always laughing and pleasant to be with. I will always remember and miss her. May GODS blessings keep and sustain her family during this difficult time. You all are in my thoughts and prayers in this time of grief and need.*
